

# Commercial Dairy Heifer Show Clinics

Morgan County Agricultural Center  
2268 Athens Highway, Madison, GA 30650

10 AM - Finish

December 14th, 2019

January 11th, 2020

**\*Please note there is a \$10.00 fee per exhibitor or animal if showing more than 1\***

Morgan County Extension will conduct two clinics for the commercial dairy heifer program exhibitors to educate about dairy heifer nutrition, health, and showmanship. Any Georgia 4-H or FFA member showing a commercial dairy heifer is welcome to attend with their animal(s).

During the first clinic on **December 14th, 2019**, we will deworm, body condition score, vaccinate, weigh and dehorn (if needed) heifers as well as conduct a basic halter breaking/showmanship clinic.

During the second clinic on **Saturday, January 11th, 2020**, we will progress to more advanced showmanship, trim feet and body condition score heifers again. Please note that heifers **DO NOT** have to be WELL halter broken to attend—this is a learning experience!

**Please call the Morgan County Extension Office at (706) -342-2214 or email [Lray@uga.edu](mailto:Lray@uga.edu) to RSVP no later than Monday, December 9th, 2019 for the 1st Clinic & Monday, January 6th, for the second clinic in order to assure that we have an adequate amount of vaccines and de-wormer.**
