*The GJLF is a non-profit 501(c)3,
charitable organization.*

*Promoting Georgia's Youth
Livestock Programs*

MISSION:

The GJLF is to promote youth livestock exhibitors across the state by recognizing young people for their involvement, leadership and dedication to the livestock industry, and success with their livestock projects. Through fundraising initiatives implemented by the GJLF, the board will be able to financially support programs targeting those young people while gaining a higher recognition of the livestock industry.

WHAT IS THE GJLF?

The Georgia Junior Livestock Foundation (GJLF) is a statewide organization that recognizes Georgia junior livestock exhibitors for their hard work and dedication to the livestock industry.

Through public support and fundraising projects, the

Foundation is able to provide financial assistance to Georgia's youth actively involved in the livestock industry through premiums at the state 4-H and FFA show, scholarships, the GJLF Showmanship Point Circuit, and other industry initiatives. The long range goal of the GJLF is to strengthen the scholarship component and reward more youth livestock participants regardless of their success in the show ring and to help enhance the success of the junior livestock programs in Georgia.

The GJLF is a non-profit 501(c)3, charitable organization administered by an unpaid, volunteer board.

OBJECTIVES

- Provide Financial Assistance to the Georgia State 4-H and FFA Livestock Shows
- Provide Academic Scholarships
- Support/Provide Industry Initiatives
