

Georgia Junior Livestock Foundation

The Expo

December 9-12, 2026

Perry, Ga.

Who is the GJLF? The Georgia Junior Livestock Foundation (GJLF) is a statewide organization that recognizes Georgia junior livestock exhibitors for their hard work and dedication to the livestock industry. Through public support and fundraising projects, the Foundation is able to provide financial assistance to Georgia's youth actively involved in the livestock industry through premiums, scholarships, the GJLF Showmanship Point Circuit, and other industry initiatives including the GJLF Expo. The long range goal of the GJLF is to strengthen the scholarship and Showmanship Point Circuit components, reward more youth livestock participants, and to help enhance the success of the junior livestock programs in Georgia. The GJLF is a non-profit 501(c)3, charitable organization administered by an unpaid, volunteer board.

What is the Mission? The GJLF is to promote youth livestock exhibitors across the state by recognizing young people for their involvement, leadership and dedication to the livestock industry, and success with their livestock projects. Through fundraising initiatives implemented by the GJLF, the board will be able to financially support programs targeting those young people while gaining a higher recognition of the livestock industry.

What is the GJLF Expo?

The GJLF Expo is a multi-specie junior livestock show that is open to the world! This show was originally created by the Jackson County Young Farmers Association as a swine show, and now has become one of the most anticipated shows of the year by youth livestock exhibitors encompassing all species and led by volunteers of the GJLF. Exhibitors have a chance to showcase their swine, breeding does, breeding ewes, dairy cattle, beef heifers or market beef at this event. Additionally, the best of the best compete in showmanship competitions at this event! Families are invited to participate in the Family Dinner Night to enjoy a free meal where the GJLF Partners are recognized, scholarships are presented and the prestigious GJLF Showmanship Point Circuit events are awarded!
